

## Druid Hills Divisions 1 & 4 - It's Our Year!

### Neighborhood and Trees Atlanta volunteers will deliver and plant a 6 to 10-foot tree in your front yard on Saturday, October 22nd!

Our neighborhood would not be the same without its gorgeous canopy of mature trees. But every year we lose many of these through old age, storms, and construction. Bare spots are emerging on some of our streets.

This year, it is Division 1 and 4's turn to benefit from a partnership between the Druid Hills Civic Association and Trees Atlanta: You get your choice of a 6 to 10-foot tree delivered, planted (in the front yard spot you choose), mulched and watered – for just \$50\*! This is a first-come, first-serve arrangement for just 50 trees.

All trees have been selected by Trees Atlanta for their suitability to our urban ecology and climate. Don't miss this unbeatable chance to beautify your yard and Druid Hills for generations to come.

\*Applies to DHCA members. Non-member price is \$100, still a bargain!
